AWS Certification Exam Booking : Step by Step Instructions

Step 1 - Link to schedule exam : https://www.aws.training/Certification & click on **Sign In**

Step 2: Sign-in using "**AWS Partner Network**". Please click on "**Sign in with a different option**" in case the "**AWS Partner Network**" option is not visible and then select "**AWS Partner Network**".
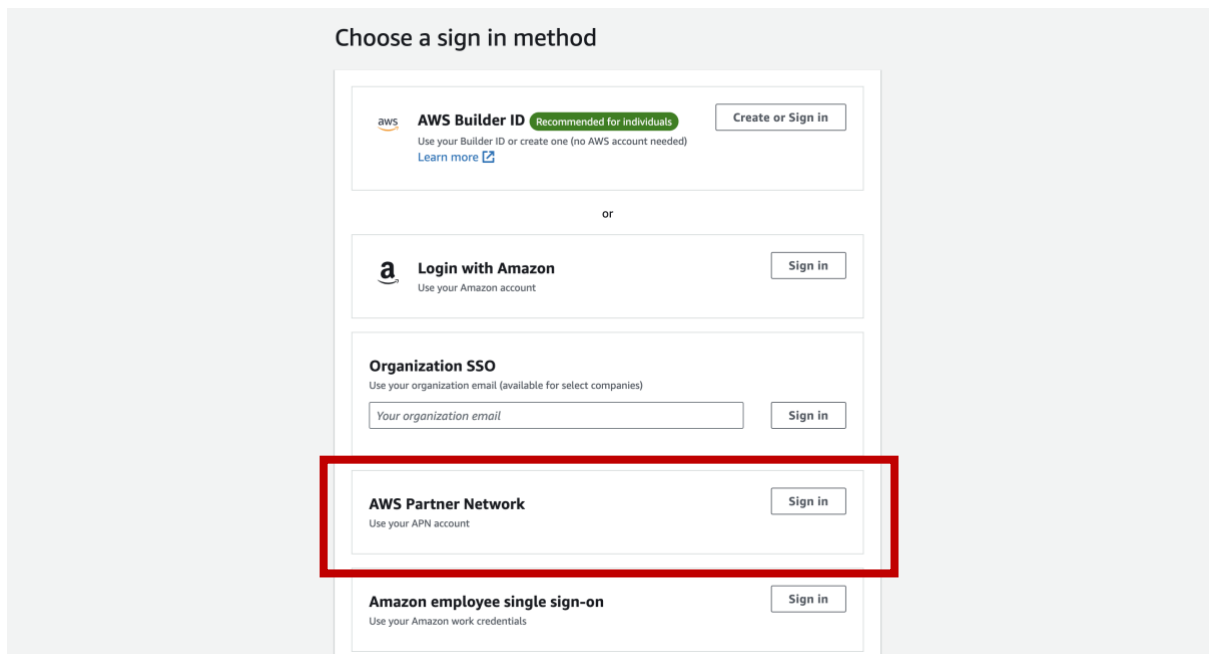

Step 3 : Sign-in using **AWS Partner Central Login as prompted**.
If an account on Partner Central is not created yet, please create one by following the step by step instructions as shown in video :
https://www.youtube.com/watch?v=kOEWhREuv5M. Refer to the video from 0.17 onwards on the timeline. Once the account is created : Login using the newly created account as mentioned in Steps 1 and 2.
If you already have an account on Partner Central, <u>please verify if you have given consent to sharing training & certification details with Eviden. **You can do so in your APN profile.** Please see below</u>. You can adjust this setting at any time.

This will ensure that your certification achievement is counted in the overall organization certification count.

Step 4: If this is the first time, and you have not created **AWS Certification Account,** some extra steps apply, as shown below, to create an **AWS Certification account linked to your AWS Partner Central account.**

AWS Certification

If your AWS Certification Account is already created, you will see the following screen. Click on 'Go to your account' and it will re-direct it to CertMetrics
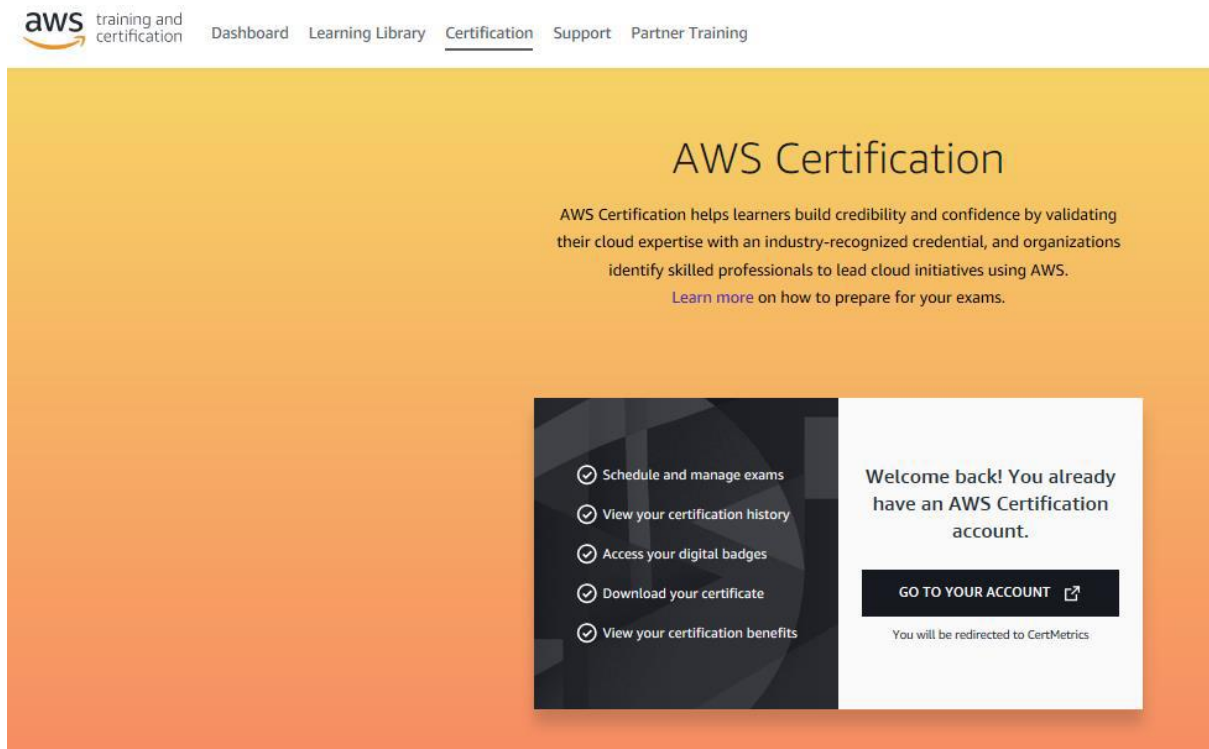

Step 5: Next, click on **Register for an Exam**.
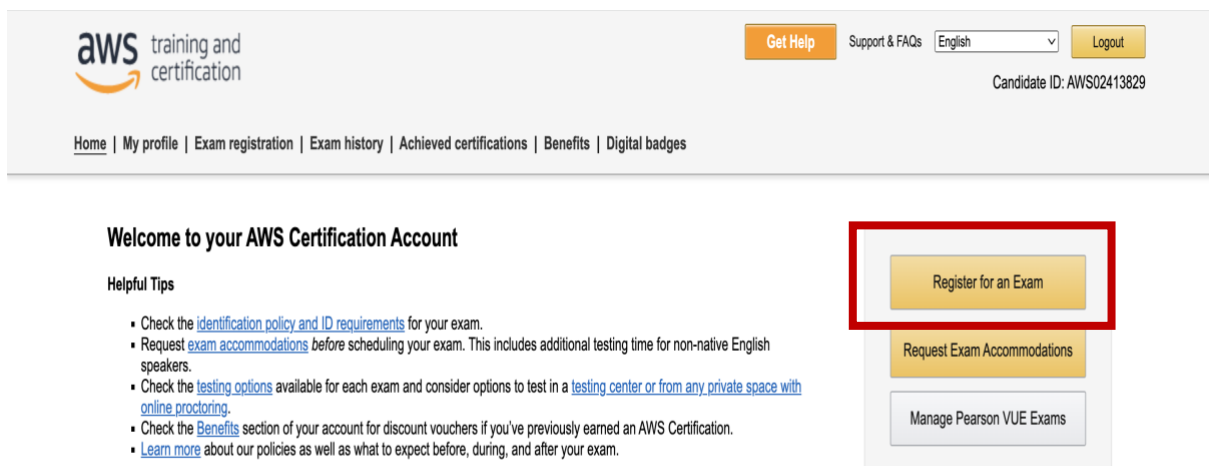

Step 6: On the screen, you will see the following links on helpful Tips. Very important. Please go through the same. PLEASE ENSURE THAT THE NAME IN THE AWS TRAINING AND CERT ACCOUNT EXACTLY MATCHES THE ID THAT YOU WILL USING (E.G. : DRIVING LICENSE / PASSPORT). Please don't use Aadhar Card

Helpful Tips

- Check the <u>identification policy and ID requirements</u> for your exam : **VERY IMP**
- Request <u>exam accommodations</u> *before* scheduling your exam. This includes ***additional testing time for non-native English speakers.***
- Check the <u>testing options</u> available for each exam and consider options to test in a <u>testing center or from any private space with online proctoring</u>.
- Check the <u>Benefits</u> section of your account for discount vouchers if you've previously earned an AWS Certification.
- <u>Learn more</u> about our policies as well as what to expect before, during, and after your exam.
- Examinees who sign up for a localized exam can also view questions in English during the exam by using the toggle feature.

Select the **<u>Schedule with Pearson Vue</u>** depending on the exam that is targeted

Online exam policies

By checking the boxes below, you agree to each term as described. To take this exam in an online environment, please agree to the following terms and conditions.

☐ By accessing this website you understand and agree to the terms set forth in this Candidate Agreement ("Agreement"). This Agreement is entered into by and between you as a test taker, Pearson VUE, a business of NCS Pearson, Inc., and your testing program owner ("Test Sponsor"). This Agreement represents your understanding and acceptance of Pearson VUE's Privacy and Cookies Policy ("Privacy Policy"), Terms and Conditions, and use of cookies to support your testing experience. You also understand, acknowledge and agree that the testing program sponsor has its own, possibly different, privacy policy.

OnVUE Data Processing

☐ By providing your personal information, as described in our Privacy and Cookies Policy, you acknowledge and agree to the video and audio recording of your entire testing session and you agree to the processing of such personal information and test data by Pearson VUE and to the transfer of such data to Pearson VUE's hub server, located in the USA, as the data processor, its authorized third parties, if any, both in the capacity as data processors for the processing of your personal information and test data on behalf of the testing program sponsor, as the data controller, located in the USA or elsewhere. Pearson VUE and other data processing entities, if any, are the recipients of your personal information and test data; however, Pearson VUE will enter into reasonable data transfer agreements with such entities for the purpose of communicating and following the instructions of your testing program sponsor and for establishing reasonable security measures to protect the confidentiality and integrity of your personal information and test data.

☐ If you choose to take the test through our online-proctoring platform, which is not mandatory in the event that there are other ways of taking the test as determined by the testing program sponsor, you and your computer will be monitored during your entire testing session in real time so that your face, voice, desk, and workspace will be captured and possibly recorded for the purposes of test quality, test security, and the integrity of the testing process. You understand, acknowledge and agree that you will be monitored at your location through audio, technology and video means so all activity at your location will be detectable by test proctors. By accessing this website you signify your acknowledgement and agreement that any inappropriate or wrongful conduct, as determined in Pearson VUE's or the test proctor's sole discretion, witnessed while monitoring your testing session will be reported by Pearson VUE to the testing program sponsor and may also be reported to the appropriate governmental authorities, including, but not limited to, any law enforcement officials.

Terms and Conditions

By registering for this exam, you agree to the AWS Certification Program Agreement governing our program.

Admission Policy

The first name/given name and the last name/surname must be identical to the first and last names on the valid forms of identification that you are required to present at your exam appointment or you will not be permitted to test.

To correct your first name(s) and/or last name(s), please follow the steps below immediately:

- Click here to submit a ticket for AWS Support
- Complete all required fields in the form
- In the Inquiry Type * field, select "Account Assistance"
- In the Additional Details * field, select "Name Change"
- In the How can we help you? * field, please ask us to change your name, then enter your name as it is listed on your valid forms of identification.
- Click the Submit button

Your name will be changed within two business days and automatically updated in Pearson VUE's systems. **If your appointment is within 48 hours, you may not be allowed to test and you may need to cancel and/or reschedule your exam. See the Cancellation Policy below.**

We ask that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. If you arrive more than 15 minutes late for your appointment, you may be refused admission and the exam fees will be forfeited.

You are required to present two forms of original (no photo copies), valid (unexpired) IDs; one needs to be government-issued with registered name, photo, and signature and the second with registered name and signature or recent recognizable photo. These pieces of identification must be hard copies - no electronic copies will be accepted. The first and last name that you used to register must match exactly the first and last name on the ID that is presented on test day. Government-issued IDs must be issued by the country in which you are testing. If you do not have the qualifying ID issued from the country you are testing in (except for candidates that will use a European Union ID), an International Travel Passport from your country of citizenship is required, along with a secondary ID. To view the full ID policy, including any additional allowances to this policy, please visit http://www.pearsonvue.com/policies/1S.pdf. If you have any questions or concerns about the ID you are required to bring with you to the testing center for admittance for your exam please contact Pearson VUE Customer Service.
